

St. Louis Rowing Club

Need-Based Financial Assistance Eligibility and Application Process

Fall 2024 Financial Assistance Application Deadlines:

Due by September 7, 2024

The St. Louis Rowing Club (SLRC) has a limited amount of funds available each year to cover dues for Juniors Rowers who would otherwise not be able to participate in the SLRC Juniors program. The financial assistance covers dues - Regatta fees are not typically included but may be requested and awarded based on the availability of funds. The SLRC Finance Committee will provide final approval of the number of Junior Rowers awarded financial assistance each season, and how much is awarded, based on the availability of funds and need.

Eligibility:

- Rower must be attending school full time.
- Rower must attend a minimum of 80% of scheduled practices and regattas (i.e., 5 out of 6 practices/week and regattas as required by the Coach) both before and after financial assistance is awarded in order to remain in good standing
- Rower must maintain grades that would sustain athletic eligibility.
- Rower must abide by the SLRC Code of Conduct, signed his/her Conduct Pledge and his/her Waiver of Liability, and completed registration.
- Rower or a family member must participate in at least one SLRC volunteer opportunity during the season in which financial assistance is granted.

Additional Information:

- Complete and sign the Application, the application must be turned in to the Financial Assistance Coordinator by the deadline printed on the application.
- The application must include a detailed statement and/or evidence of the basis for the need for financial assistance.
- Applications will be reviewed by a committee consisting of the Treasurer, the Financial Assistance Coordinator, and at least one other selected by the Treasurer (Committee members to be unrelated to a Junior Rower or Junior Rower's interests), as well as the respective coach, as deemed necessary.
- Funds will be awarded on an objective and non-discriminatory basis. Anyone involved in the decision-making process that has an interest, direct or indirect, in the outcome of a particular financial assistance decision, will recuse themselves from participating in that decision.
- If there are less funds available than the amount requested, the Head Coach and/or another Coach may be asked for their input regarding an applicant, in confidence.
- The Financial Assistance Coordinator will notify the applicant's parent or guardian of the decision.
- The identity of the applicant and the application and any supporting materials submitted will be held in strict confidence. SSNs on tax forms will be redacted.

Please contact the SLRC Financial Assistance Coordinator, at financialassistance@stlouisrowingclub.com, with questions.
